Eligibility is generally limited to persons or firms who supply products and services in food ingredients & additives industry. Applicants who have not previously exhibited at the event may be required to submit a description of the nature of their business and the items to be exhibited. CFAA and CCPIT SLI reserve the right to restrict or remove any exhibit which CFAA & CCPIT SLI, in its sole discretion, believe objectionable or inappropriate. If the person or entity completing and executing this contract for space is a publishing entity, trade show producer or association, then anything contained herein to the contrary notwithstanding, such person or entity shall be in all respects treated as a participant in the show, including provision thereto of a paid space in the show; however, such person or entity shall not be considered an "Exhibitor" and will be restricted from all Exhibitor activities.

Each exhibit booth must be carpeted. The organizer will establish the show colors and provide a service contractor who will provide carpet for a fee paid by the exhibitor if the Exhibitor who buy space only chooses not to provide his own.

10. Dismantling of Exhibits

It is expressly forbidden for Exhibitors to dismantle or pack any portion of their exhibit booth prior to the official closing of the show. Violations will result in the loss of participation in future shows.

11. Exhibitor Representative's Responsibility

Each Exhibitor must name at least one person to be his representative in connection with installation, operation and removal of exhibit. Such Representative shall be authorized to enter into such service contracts as may be necessary, and for which the Exhibitor shall be responsible.

12. Sale of Exhibits

Retail sales at the Show are strictly prohibited.

13. Contractor Services/Exhibitor-Appointed Contractors

In the interest of making available the best qualified craftsmen in numbers sufficient to handle all of the services necessary for the operation of the Event, CFAA & CCPIT SLI has contracted on an exclusive basis official contractors to provide certain services. Service companies other than the official contractors will not be allowed to perform any of these exclusive services. Non-exclusive services may be performed by Exhibitor-appointed contractors (EAC) within certain guidelines. A complete listing of exclusive services and EAC guidelines will be provided in Exhibitor Service Manual. The Organizer shall require written notification from any Exhibitor using services of a company other than the official contractor. This notification should include the name and address of the contractor, name of the supervisor to be in attendance. This information must be provided to the Organizer at least 30 days in advance of the first day of move-in.

Any amendment to this contract must be in writing and signed by an authorized representative of CFAA & CCPIT SLI. Exhibitor may not assign this contract or any right hereunder nor may Exhibitor sublet or license all or any portion of its exhibit space. Children under 16 will not be allowed in the exhibit hall. (Proof of age maybe required.) This is for their safety and includes children of Exhibitors.

16. Sub-Leasing

The Organizer of this event will only contract with one exhibiting company per booth. If the contracted firm wishes to share his space, he must obtain written permission from the organizer. Promotional listings will be available to sub-leasing companies subject to normal deadlines.

17. Security

The Organizer will employ reputable guards during

the course of the Exposition. The duty of the guards will be to protect the general exhibit against fire or other catastrophes. Neither the Organizer, nor the owners or lessors of the exhibit premises will assume any responsibility for Exhibitors' personal property. It is required that the Exhibitor insures his property against loss and theft.

18. Fire and Safety Laws

19. Photographic Rights

Any displayed item within the Exhibitor's booth may be photographed by the Organizers for future promotional materials. No photography of booths, other than your own, is permitted at any time.

20. Incorporation of Rules and Regulations

Any and all matters pertaining to the Event and not specifically covered by the terms and conditions of this contract shall be subject to determination by CFAA & CCPIT SLI in its sole discretion. CFAA & CCPIT SLI may adopt rules or regulations from time to time governing such matters and may amend or revoke them at any time, upon reasonable notice to Exhibitor. Any such rules and regulations (whether or not included in an Exhibitor Service Manual or similar document) are an integral part of this contract and are incorporated herein by reference. Exhibitor shall observe and abide by additional regulations made by CFAA & CCPIT SLI as soon as these additional rules or regulations are communicated to Exhibitor. This contract (including the Exhibitor Service Manual and any additional rules or regulations adopted by CFAA & CCPIT SLI from time to time) states the entire agreement of the parties with respect to the subject matter hereof.

21. Cancellation by Organizer

If an Exhibitor fails to make a required payment as described in this contract, Organizer may terminate Exhibitor's participation in the Event without further notice and without obligation to refund monies previously paid. Organizer reserves the right to refuse Exhibitor permission to move in and set up an exhibit under this contract if the Exhibitor is in arrears of any payment due to Organizer. Organizer is expressly authorized (but has no obligation) to occupy or dispose of any space vacated or made available by reason of action taken under this paragraph in such manner as it may deem best, and without releasing the Exhibitor from any liability hereunder. Organizer may also terminate this contract effective upon written notice of termination if Exhibitor breaches any of its obligations under this contract, without any obligation on Organizer's part to refund any payments previously made and without releasing Exhibitor from any liability arising as a result of or in connection with such breach. If CFAA & CCPIT SLI removes or restricts an exhibit that CFAA & CCPIT SLI considers to be objectionable or inappropriate, no refund will be due to Exhibitor.

If a participant has not take up the use of the stand space 48 hours before the time at which an exhibition is due to be opened to the public, or if it has been stated prior to this that the exhibitor will not taking up the space reserved for him, this space may be made available by CFAA & CCPIT SLI to another exhibitors without notice or proof of default. In such a case, the agreed price is payable in full by the exhibitor to CFAA & CCPIT SLI, and the exhibitor is not entitled to claim compensation or damages.

22. Cancellation of Event

If Organizer cancels the Event due to circumstances beyond the reasonable control of Organizer (such acts of war, earthquake, government emergency, labor strike or unavailability of the Exhibit Facility), Organizer shall refund to each Exhibitor its exhibit space

rental payment previously paid, minus a share of costs and expenses incurred, in full satisfaction of all liabilities of Organizer to Exhibitor. Organizer reserves the right to cancel, re-name or relocate the Event or change the dates for the Event to dates that are not more than 30 days earlier or 30 days later than the dates on which the Event originally was scheduled to be held, no refund will be due to the Exhibitor, but Organizer shall assign to the Exhibitor, in lieu of the original space, such other space as Organizer deems appropriate and the Exhibitor agrees to use such space under the terms of this contract. If Organizer removes or restricts an exhibit which it considers objectionable or inappropriate, no refund will be due to the Exhibitor. If Organizer elects to cancel the Event other than for such a reason previously described in the paragraph, Organizer shall refund to each Exhibitor its entire exhibit space rental payment previously paid, in full satisfaction of all liabilities of Organizer to Exhibitor.

23. Cancellation by Exhibitor

If Exhibitor desires to cancel this agreement, Exhibitor may only do so by giving notice thereof in writing sent to the Organizer with evidence of receipt. In such case, Exhibitor will continue to be liable for 100% of total exhibit fee (total exhibit fee includes fees for booth space) unless the written notice of cancellation is received by the Organizer no later than 180 calendar days before the start of the exhibition. If cancellation is received between 120 and 180 calendar days before the start of the exhibition, the Exhibitor will be liable for 50% of the total exhibit fee. If cancellation is received between 90 and 120 calendar days before the start of the exhibition, the Exhibitor will be liable for 75% of the total exhibit fee. If cancellation received within 90 days before the start of the exhibition, the exhibitor forfeits 100%. Because these dates are related to the Event date and not to the date of this agreement, these dates shall apply regardless of the date on which this agreement is executed. This amount is considered to be liquidated and agreed upon damages, for the injuries the Organizer will suffer as a result of Exhibitor's cancellation. The provision for liquidated and agreed upon damages is a bona fide provision and not a penalty. The parties understand that the withdrawal of the space reserved from availability at a time when other parties would be interested in applying for it will cause the Organizer to sustain damages. In this situation, the Organizer's damages will be substantial, but they will not be capable of determination with mathematical precision. Therefore, the provisions for liquidated and agreed upon damages have been incorporated into this Agreement as a valid pre-estimate of these damages. The date of cancellation shall be the date the Organizer receives the notice. CFAA & CCPIT SLI reserves the right to treat an Exhibitor's downsizing of booth space as cancellation of the original space and purchase of new booth space. An Exhibitor may be required to move to a new location if it requests a downsizing of space.

24. Exhibit Space Occupancy

Hours and dates for installing, occupying and dismantling exhibits shall be those specified by Organizer. If Exhibitor fails to install its display in its assigned space by 8:00 p.m. on the day preceding exhibit opening or leaves its space unattended during the Event hours, Organizer shall have the right to take possession of the space and no refund will be due to the Exhibitor. All exhibits must be open for business during the Event hours. Exhibitor may not dismantle the display until the Event is officially closed by the Organizer.

25. Governing Law

This contract is governed by the state laws of China as applied to contracts entered into and entirely performed within China. Exhibitor agrees that the courts located in the China shall constitute the exclusive forum for the resolution of any and all disputes arising out of, connected with or related to this contract or the breach of any provision of this contract.

26. Assignment of Space

The Organizer reserves the right to assign all booth locations for the overall good of the show. In the event your booth number changes, this contract remains in effect. Any such assignment does not imply that similar space will be assigned

for future Events. CFAA & CCPIT SLI reserves the right to change the floor plan or to move an Exhibitor to another booth location prior to or during the Event if CFAA & CCPIT SLI in its sole discretion determines that to do so is in the best interest of the Event.

27. Character of Displays: Use of Aisles and Common Areas

Distribution of samples and printed matter of any kind, and any promotional material, is restricted to the exhibit booth. Each Exhibitor agrees to exhibit only products which it manufactures, represents or distributes. The aisles, passageways and overhead spaces remain strictly under control of CFAA & CCPIT SLI and no signs, decorations, banners, advertising material or special exhibits will be permitted in the aisles except by written permission of CFAA & CCPIT SLI. Uniformed attendants, models and other employees must remain within the booths occupied by their employers. Any and all advertising distribution must be made from Exhibitor's booth space. Samples, souvenirs and advertising materials may be distributed by Exhibitor only from within his or her booth. Balloons and stickers are prohibited in the exhibit area. (Handouts with gummed backing that adhere or cause adhesion are considered stickers.) Equipment must be arranged so that show visitors do not stand in the aisle while examining equipment or watching demonstrations. Strolling entertainment or moving advertisements outside of an Exhibitor's exhibit space is prohibited.

28. Use of Aisles for Demonstrations

Organizer in its sole discretion reserves the right to determine use of aisles for promotion and/or demonstrations.

29. Listings and Promotional Materials

By exhibiting at the Event, Exhibitor grants to CFAA & CCPIT SLI a fully-paid, perpetual non-exclusive license to use, display and reproduce the name, trade names and product names of Exhibitor in any directory (print, electronic or other media) listing the exhibiting companies at the Event and to use such names in CFAA & CCPIT SLI promotional materials. CFAA & CCPIT SLI shall not be liable for any errors in any listing or descriptions or for omitting any Exhibitor from the show program or other lists or materials. CFAA & CCPIT SLI may also take photographs of Exhibitor's booth space, exhibit and personnel during, before or after the open hours of the Event and use such photographs for any CFAA & CCPIT SLI promotional purpose. Show management reserves the right to edit and/or delete show program submissions. Companies that did not pay booth fees will not be included in the show program.

30. Contract Acceptance

This contract shall become binding and effective only when it has been signed on the facing page by Exhibitor and counter-signed on the facing page by a duly authorized representative of CFAA & CCPIT SLI.

31. Interpretation of this Rule

The Organizer reserves the final right to interpret this rule.
